WAQOO

A “temple town hotel” is a place to rest your body and soul before you make a pilgrimage to a Buddhist or Shinto holy site. Pilgrims rest their spirits, and purify their bodies, so that they are cleansed before they make their way to the temple. Assisting in this is the role of Temple Town Hotel WAQOO Horyuji. National Treasures and World Heritage beyond imagination, laid out before your eyes. With a front row seat, you can soak in the rich history of Nara.

## WAQOO Shitaderamachi

Temple lodging in  
Shitaderamachi,  
a town with deep history

Experience history and Japanese culture  
in a temple town

This next-generation temple lodging is located in a spot near Shitennoji where roughly 80 Buddhist temples are packed together in a small area: unique in modern Japan! Shukubo (temple lodging) establishments are popular lodgings for worshippers intending to visit Shinto or Buddhist holy sites. Come and experience Japanese culture and history in a unique environment: downtown Osaka, but deeply tied to the history of Japanese Buddhism.

## WAQOO Mii-dera

Be cleansed by the  
1,300-year history  
of this temple

Renting out the whole building,  
you can have total privacy.

WAQOO Mii-dera has reinvented the priests' quarters at Myogon-in Hall, which is over 400 years old, as a special temple-stay facility in Mii-dera (Onjo-ji), an ancient temple with more than 1,300 years of history. Have all the four seasons to yourself in a private facility that can only be booked by one party per night. With a special visit to several of the temple's National Treasures, a meditation experience, etc., there is plenty on offer only to lodgers who stay here overnight. Enjoy a temple-stay surrounded by history: WAQOO Mii-dera.
