**Huis Ten Bosch**

The entire kingdom shines as the world’s largest festival of lights featuring 13 million lights. Huis Ten Bosch welcomes spring with the Tulip Festival between February and April. Asia’s largest and Japan’s No.1 Rose Festival with 2,000 kinds of roses starts from April. The Hydrangea Festival and Lily Festival are held in June, where they have a large variation of flowers found in Japan. They exhibit flower shows all year round.

**Seasonal flowers**

A huge flower exhibition is served by the teachers and students of the former Miyazaki elementary school during Spring.

**Mukyudo cave**

A huge evacuation cave carved by the evacuees during WWII. A huge evacuation cave carved by the evacuees during WWII. A huge evacuation cave carved by the evacuees during WWII.

**Mikawachi ware**

Has traditional techniques and patterns such as Hakata (very thin base material), Sukashibori (swirling), Karako (painting Chinese drills) in pure white porcelain. Refining traditional skills, they also adopt modern concepts, which makes their pieces outstanding.

**Hario Island**

It used to be the largest in the East and the 3rd largest in the world when it was built in 1922. It is known for its artscape, one of the three great capes of Japan, and cherry blossoms.

**Hario Island**

Built in 1931 and the only existing long sea transmitting facility in Japan. The 3 big radio towers are made of reinforced concrete which was state-of-the-art material at the time.

**Mikawachi Porcelain Hall**

They exhibit valuable works between the Edo and Meiji periods and contemporary works which attract attention.

**Mikawachi Porcelain Hall**

They have a wide range of products from cups and mugs to porcelain and ceramics.

**Sasebo Shikisaikan**

Go on a trip to see Japan Heritage and one of the three greatest whirling current in Japan.

**Sasebo Shikisaikan**

Designed as nationally important cultural property.

Kuroshima is a part of Kujukushima. It is an island of faith and has a history of hidden Christianity with 80% of its population still practicing Christianity. People who escaped from persecution once lived here and the current generation still keep their faith in this island. (Villages on Kuroshima Island has been registered a UNESCO World Heritage Site as a part of Hidden Christian Sites in the Nagasaki and Amakusa Region on July, 2018.}

**Kuroshima Cathedral**
A magnificent brick church is Romanesque style, it was made through Marmand leadership and the parishioners’ sacrificial contribution. The construction period was about 2 years, and was completed in 1960.

**Kuroshima Tofu**
They use sea water around the island in- stead of bittern to coagulate soy milk to make tofu. They have a distinct flavor of their hot springs with a great mountain cliff. You can see Sakito town precipitous cliffs (Nagasaki Island). You can take it home.

**Warabi Observatory**
Has a panoramic view of two pennant-flags, Nagasaki Basin off and Kuroshima Basin off. You can watch boats come and the northeastern Okinawa islands on a sunny day.

**Sazanka**
Located inches away from the port. You can also apply for a guided island tour. (sea fig)

**Kuroshima Welcome House**
Located inches away from the port. You can also apply for a guided island tour. (sea fig)

**Minshuku TSURUSAKI**
Located inches away from the port. You can also apply for a guided island tour.

**Kuroshima Islands**
You can see Sakito town precipitous cliffs (Nagasaki Island). You can take it home.

**Kuroshima Cathedral is secretly under construction.** Entrance to the premises is restricted during the second week in April and the second week in September. You will be asked to see the facility from a distance.

Ojika Island

Ojika is recognized as one of ‘The Most Beautiful Villages in Japan’ and consists of 17 islands. 7 of them are residential. Stay at a private home which provides meals and lodging and get a feeling of the life of the islanders. You might also encounter some wild Japanese deer during your stay at Nozaki Island.

Visit and experience an island life

Chinokouji Shrine

This shrine is located in the town where you can see the scene of Chinokouji. The shrine’s history is said to have been founded in the year 1677. The shrine is open to the public on the 15th and 30th of every month.

Kakinohama Beach

This popular beach has clear and shallow water. There are also many facilities available, such as a lifeguard, and beach cleaning. It is also a great place for children. The beach is open from March 1st to November 30th.

Nagata shore Tsushimase Lighthouse

You will feel close to nature during your visit. The lighthouse is surrounded by beautiful landscapes and provides a great view of the ocean. You can also learn about the history of the lighthouse and its role in navigation. It is open from April 1st to October 31st.

Kakigawa Beach

This is a very popular beach for families and is known for its clean water and white sand. It is a great place to relax and soak up the sun. The beach is open from May 1st to September 30th.

Ohama beach

This beach is one of the best beaches in Japan and is surrounded by beautiful mountains. The water is clear and warm and is great for swimming and sunbathing. It is open from April 1st to October 31st.

Beautiful beaches, and a lighthouse, which overlooks the sleepy fishermen ‘Amanshi,’ who used to help this island’s economy by fishing, are still heroes. Beautiful beaches, and a lighthouse, which overlooks the sleepy fishermen ‘Amanshi,’ who used to help this island’s economy by fishing, are still heroes. Not only for tourists but also for Japanese, they are a symbol of Japan.

You can experience the lifestyle of the islanders while staying at their house.

They renovated an old house which was built over a 100 years ago. Do-nothing vacation is such a treat. Forget about the busy life, just chill and relax here.

Ukujima is the Northernmost of the Goto Islands. ‘Tamamori,’ who used to help this island’s economy by fishing, are still heroes. Beautiful beaches, and a lighthouse, which overlooks the sleepy fishermen town. You’ll be sure to cherish the memories of this island trip once you visit!
