ABOUT YOKOHAMA

Yokohama is a beautiful port city located 30kms south of Tokyo, i.e. the capital of Japan. Hence, it is easy to travel into the heart of Tokyo as well. The Port of Yokohama was opened in 1859 when Japan decided to open its doors to the world. Starting out as a small fishing village with only 100 residents, Yokohama has vigorously acquired new cultures, technologies, and information from foreign countries. This has led to a belief that Yokohama is the birthplace of Japan's contemporary culture. Apart from that, Yokohama has various Tourist hotspots as well. Yokohama has amazing natural landscapes along with beautiful streetscapes. One should definitely visit this lively city to experience the best of Japan.

The year 2020 marks the 55th Anniversary of Yokohama and Mumbai's sister city relationship.

YOKOHAMA - MUMBAI SISTER CITY RELATIONSHIP

In 1965, owing to the efforts of the Indian community in Yokohama, the two cities concluded the first sister city agreement between Japan and India. The two cities have shared various cross-cultural events and business relationships since then. In June 1967, the Mayor of Mumbai and his wife visited Yokohama for the signing ceremony of the sister-cities agreement. The objective of signing the sister-city agreement was to advance exchange between the two cities in areas such as cultural, technological, business, educational, administrative, etc. In May 1985, on the occasion of the 20th anniversary, Yokohama received two elephants as gifts from Mumbai. Between September-November 1995, on the 30th anniversary, missions were exchanged.

Since the signing of the sister city agreement, there has been a continuous dispatch of delegations from both cities, not only from the city office but also from the citizen's group. Commemorative events have been held periodically every five years. In the year 2015, the two cities celebrated the Golden Jubilee - 50 years of this Sister-City partnership. In June 2015, the Mayor of Mumbai - Ms. Snehal Ambekar was invited to Yokohama to meet the Mayor of Yokohama Ms. Fumiko Hayashi, and also to participate in the 50 years' celebrations. Subsequently, Yokohama's partner, the MCGM too hosted celebrations in November 2015 for the golden jubilee at the Taj Mahal Palace and Towers, which was attended by the official delegation of Yokohama city headed by the Chairman of Yokohama City Council.

MUMBAI REPRESENTATIVE OFFICE

The City of Yokohama: Mumbai Representative Office has been established to strengthen the ties between Yokohama and India including Mumbai, one of Yokohama's sister cities. The main aim is to attract Indian businesses & companies to Yokohama and function as a communication channel & a support center for them. This would lead to the promotion of trade, business, and economic exchange

between Yokohama and India. An added incentive for these companies is the Financial support they will obtain from the Yokohama City Government. Besides, the Mumbai Representative Office assists local companies in Yokohama to establish business with Indian companies, by researching and providing information on the Indian market and industries and also conducts and coordinates business missions to Yokohama. These are tailored to specific business interests and include tours of business facilities, project sites, and government offices, and also exploring the possibilities of international technical cooperation with Indian cities including Mumbai in the field of infrastructure building. The office also works in attracting Indian tourism to Yokohama by increasing awareness about Yokohama city and participating in travel fairs and exhibitions.

THE MISSION OF THE MUMBAI REPRESENTATIVE OFFICE

- ① Attracting Indian investment and businesses to Yokohama.
- ② Assisting local companies in Yokohama to establish business with Indian companies and growing in the Indian market.
- ③ Promoting Sister City Relations with Mumbai.
- ④ Attracting Indian tourism to Yokohama
- ⑤ Promoting exchange in various fields with Indian cities
- ⑥ Exploring the possibility of international technical co-operation with India
