

For true hospitality, there is so much more a hotel can do.
We are always thinking of how our guests want to spend the day,
and what they expect of our hotel.

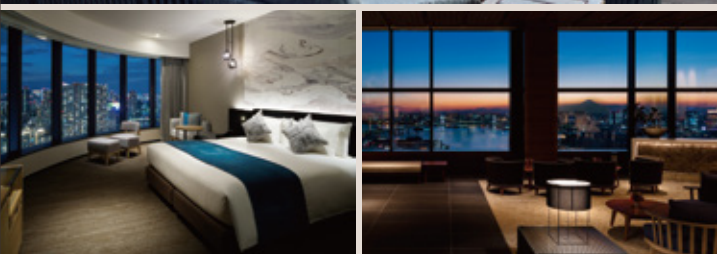

The Celestine Hotel is here to fulfill the wishes of
each and every guest.

We want to present our guests with the kind of hospitality
that cannot be found anywhere else.

Stay in the Garden

To the you living in this new era.
Be moved and inspired by the experience.
Feel your heart flutter by all we have to offer.

RIGHT TO BE

“sequence” treasures the concept of “heartfelt connections.”

Little gestures of kindness and concern,
that’s passed from one person to another,
makes us comfortable with each other.

As a start, we furnish a special space and time
that allows customers to experience the joy and contentment,
which allows you to “connect” with us.
