# Seibuen Amusement Park GUIDE MAP

西武園ゆうえんち

## What is the in-park "Seibu Currency"?

### Using Seibu Currency generated excitement in the old days!

You need to use the Seibu Currency when walking around these streets. Having all the prices in this town listed in several tens or hundreds of Seibu helps you escape your everyday life. Casual chats with gossip residents on the shopping street can also be mellow and warm. Imagine window-shopping with a candy apple in one hand, colorful snacks in the other, and trying out the "à la mode" desserts in the old-fashioned coffee shop, etc. Pick up your Seibu Currency and let's enter a world of excitement.

#### 1 First, exchange some cash into the currency required in the Shows world!

1 You need to pay for any purchases in Seibu Currency at Seibu Amusement Park in Seibu Currency.

2 We recommend buying some Seibu Currency before entering the amusement park to save time!

3 Seibu Currency can be exchanged at dedicated sites in the park or directly from currency exchanges.

4 Some shops accept payment by credit card or certain types of e-money. If you don't have enough Seibu Currency to hand.

Seibu Currency: 10 seibu = ¥120
