Welcome to Takino, where you can experience the best of Hokkaido’s four seasons!

Takino-Sannan-flower park, which is Hokkaido’s only government-managed park, is in the center of the town and is surrounded by winter sports such as snowboarding, skiing, and various other winter activities that are enjoyed by all four seasons in the park. It is the perfect place to enjoy the beauty of winter in Hokkaido and the natural surroundings.

**Spring**

In spring, the flower park becomes a sea of flowers. The colours of the flowers change from white to pink, red, and purple, creating a beautiful sight that will make you feel happy and refreshed. You can also enjoy the flower exhibitions held in the park.

**Summer**

In summer, the flower park becomes a place for outdoor activities such as picnics and cycling. You can also enjoy the fresh air and the sounds of nature while walking through the park.

**Autumn**

In autumn, the flower park becomes a sea of leaves. The changing colours of the leaves create a beautiful sight that is sure to make you feel peaceful and relaxed. You can also enjoy the cool winds and the sounds of the leaves rustling in the wind.

**Winter**

In winter, the flower park becomes a place for winter sports such as snowboarding and skiing. You can also enjoy the snow-covered landscapes and the beauty of winter in Hokkaido.

The flower park is located in the heart of Hokkaido and is a perfect place to enjoy the beauty of spring, summer, autumn, and winter. It is a place where you can experience the best of Hokkaido’s four seasons!
