History & Nature

Nikko, a place with the history of shrines,
has a rich harmony of things built by people and things from nature.
You can enjoy the meditative sensation of remaining quiet.
and being touched by nature

Cuisine & Relaxation

The moment when you meet unique local dishes,
or when you receive the hospitality.
There are some of the incomparable things given to you
that gives you a moment of
heavenly food and healing from during the visit.

Entertainment & Activities

You can enjoy experiencing Japanese culture and food,
such as a hot spring and making healthy body.
Or listening music, or looking through various streams.
All of this is the time you can relish yourself.
