- Naha Marathon / Naha City • The Fire and Bell Festival / Itoman City (until beginning of Jan.) • Yuntanza Pottery Market / Yomitan Village

When to go

- Okinawa is located in the subtropics, with long summer and short winter.
- It has strong sunlight and occasional typhoons during summer.
- North wind is strong during winter causing it to feel colder than the actual temperature.
- Peak travel season is during Japanese summer vacation, through July and August.
