The New Otani

## The Japanese Garden at Hotel New Otani Tokyo

Hours: 6:00am-10:00pm

Accessible from the Lobby fl or Banquet fl of The Main bldg, or the 2nd fl of the Garden Court

This 10-acre expanse boasts a history of more than 400 years and has ranked #5 in the 2018 top-20 list of "Best Free Attractions in Japan" released by TripAdvisor. Seasonal flowers and rich foliage adorn the quiet paths, while the lighting scheme brings about a totally different ambience after dark.

### Seasonal Vistas

#### Spring

Spring in Japan is the season of cherry blossoms. Around 20 different breeds adorn our Japanese garden, blooming at slightly different timings almost throughout the whole spring from late March to early May.

#### Summer

Our outdoor Garden Pool is an urban oasis in the heart of the city covering 2,000㎡. The balcony restaurant overlooking the pool offers a multitude of delightful dishes, tropical cocktails, and the ambience of an island resort.

#### Autumn

In autumn the foliage in the Japanese garden turns to brilliant colors of red, orange, and yellow. The sight of turned leaves amid the beautifully balanced landscape induces a gentle yet powerful emotion in the viewer's mind.

#### Winter

After dark, the illuminated garden takes on a different ambience, particularly in winter when the air is crisp and clear. Over 30 Christmas trees are decorated throughout the hotel grounds to add to the festive mood.
